

KIMROUGH CHOIR OF BRTC

"Being a member of the Kimbrough Choir is a unique and wonderful experience. This community choir, comprised of people of a wide range of age groups and backgrounds, provides an enriching environment where, despite everyone's differences, we can come together to celebrate our common love for music."

Ben Johnson

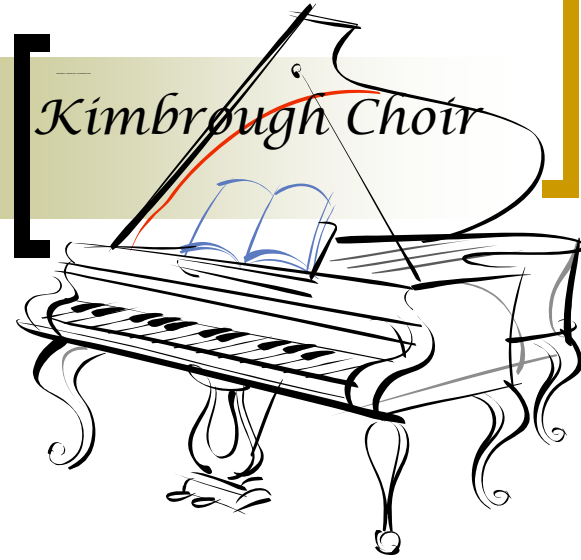

"I am committed to exposing students to music, which is one of the original maths in history."

Dexter Kimbrough credits his love of music to his mother, Lois Kimbrough, who was a pianist and quartet member at the University of Texas. He studied piano and participated in his high school band in Itta Bena, Mississippi, for six years, and was a member of the Mississippi State band and choir.

Beginning in 1998, Kimbrough enrolled in German classes, and later in The Holocaust at BRTC, instructed by Dr. Jan Ziegler. Financial assistance from Kimbrough and others made possible Ziegler's dream to provide for student travel to Germany and to the Holocaust Museum in Washington, D.C. In 2004, Ziegler and Kimbrough, together with Joniece Trammel, united in an effort to develop

another dream - establishment of a choral music program at BRTC. Through a generous donation in excess of \$50,000 made by Kimbrough, along with support of BRTC President Richard Gaines, the *Kimbrough Choir of BRTC* was birthed.

Dexter Kimbrough

At a very young age I knew I wanted to be a musician. My love for music only grew when my grandfather built my first piano for me. Each night I would play for hours and eventually was able to accompany singers. As a music major at the University of Arkansas, I became interested not only in piano but voice and harp as well. I completed my Bachelor in Music Education degree with a double major in voice and a minor in harp.

From that time until now, I have had the good fortune to teach many students. As choral director for the BRTC Kimbrough Choir, I have been inspired by many outstanding musicians. And for this reason, I would like to invite you to be a part of the Kimbrough Choir. We welcome you to "Come sing with us."
