## Blood Drive Continues to Exceed Goal

*Jessica Lane of Bono, a student in the practical nursing program at BRTC, gives blood for the first time during the recent PTK blood drive. Assisting her is Collection Technician Kim Williams with the American Red Cross unit from Springfield, Missouri.*

The quarterly blood drive sponsored by BRTC's chapter of Phi Theta Kappa in collaboration with the American Red Cross, once again exceeded the collection goal. The two-day event held August 27-28 netted 91 pints of blood. According to Dr. Linda Moss, PTK Advisor, the goal was 70 pints. "I want to thank everyone who donated and contributed to the success of the blood drive," said Moss.

The next blood drive is scheduled for November 10 and 11, from 11:00 a.m. to 4:00 p.m. in the Randolph County Development Center. For more information on PTK events, contact Moss at 870-248-4000, ext. 4136.
